It has great characters in Brandy and Tyler and they each have a way of both breaking and warming your heart at the same time. Tyler wants nothing more than to brush the Rebel TX dust off his boots and never look back. First though, he has to get his brother back on track and on his way to college. Brandy has always been known around town as the "easy" girl although nothing could be more wrong. Now she's trying to turn her life around and make a go of her bakery but the competition is tough. To help out financially she wants to sell her grandfather's moonshine recipe but she needs a sample to prove the recipe's worth. These two have always had an intense attraction but as their relationship begins to change from fun fling to something more, neither sees a way to make it work. She's trying to dig her roots in deep and he's trying to cut all ties. Can they make this thing work?? I recommend you grab a copy of this one and find out! 2 of 2 people found the following review helpful. Texas Tornado By Vania Here we go again with another fight between Tucker and Sawyer families !! Brandy Tucker has a bakery. She is mired in debt because had to get a loan to help her older sister Callie. Furthermore, a new bakery was opened a few meters from hers and she is losing clientele. Her solution? She thinks she has found a new bootleg drink that can be better than one which killed her grandfather, the former Texas Hunter. Now, with the Texas Tornado she thinks she may be able to sell the recipe and have enough money to expand business. Until she meets her former crush, Tyler McCall... Tyler has Sawyer blood in his veins. He no longer lives in Rebel, but travels participating in rodeos. He went back to try to find his younger brother, Cooper, who is gone, and his alcoholic mother can not afford to look for. He and Brandy just going to look for the same person for different reasons, and once again the sparks that there whenever they are close to one another back to explode. It is hard to resist. They know they should not be together, but lust is stronger. Brandy's sis, Callie, is gonna wed with a Sawyer, Brett, and they don't care about what the city thinks about it, about the fact that the two families are enemies for years. Maybe it was the case of Brandy and Tyler think the same. But there was something else preventing them from being together, and maybe the feeling was not strong enough to make them want to face the city ... When the family quarrels of the past can hinder a passion... when the sparks become unbearable... when a person can not say no... Many funny scenes, it's all about romance from beginning

to the end and the curiosity of how will be Jenna' story.5 stars

Bestselling author Kimberly Raye's rousing new series continues in Red-Hot Texas Nights. Get ready for squabbling kin, steamy nights, and mouth-watering romance...LOVE IS ALWAYS INTOXICATING When it comes to feuds, the Tuckers and the Sawyers do it Texas-style! The legendary moonshiners have been doing battle for more than a century, and they're nowhere near ready to call a truce. Especially when Brandy Tucker, a self-taught chef, mixes up a brew that rivals the original-only to find the recipe's gone missing. And the culprit seems to be Tyler McCall, a professional bullrider as hot as the Lone Star sun, despite the Sawyer blood running through his veins. IN THE LONE-STAR STATE Brandy is a sweet, sassy distraction Tyler doesn't need-especially not when he's preparing for a competition that will either make or break his career. The more Brandy and Tyler cross paths with one another, the less they can ignore the heat that sizzles between them. Should they give in to their fiery passions-even if they both risk getting burned? All it takes is one kiss to find out...The next book in the Rebel Moonshine series, Red-Hot Texas Nights brings the heat! "Ms. Raye is adept at mixing humor with sizzling love scenes...an entertaining reading experience!"-A Romance Review

"Sensual love scenes are interspersed with a healthy dose of small-town humor in this touching romance." - Publishers Weekly "A captivating contemporary romance." -- Night Owl s "The second in Raye's Rebel Moonshine series is sure to please readers with its feuding families and passionate, intimate encounters between Tyler and Brandy. A sexy, charming Tyler complements Brandy's good-girl/bad-girl persona. Raye's engaging, modern storytelling and well-developed plot are the highlights." -- RT Book s About the Author Bestselling author Kimberly Raye started her first novel in high school and has been writing ever since.
